

**BlockBUZZters**

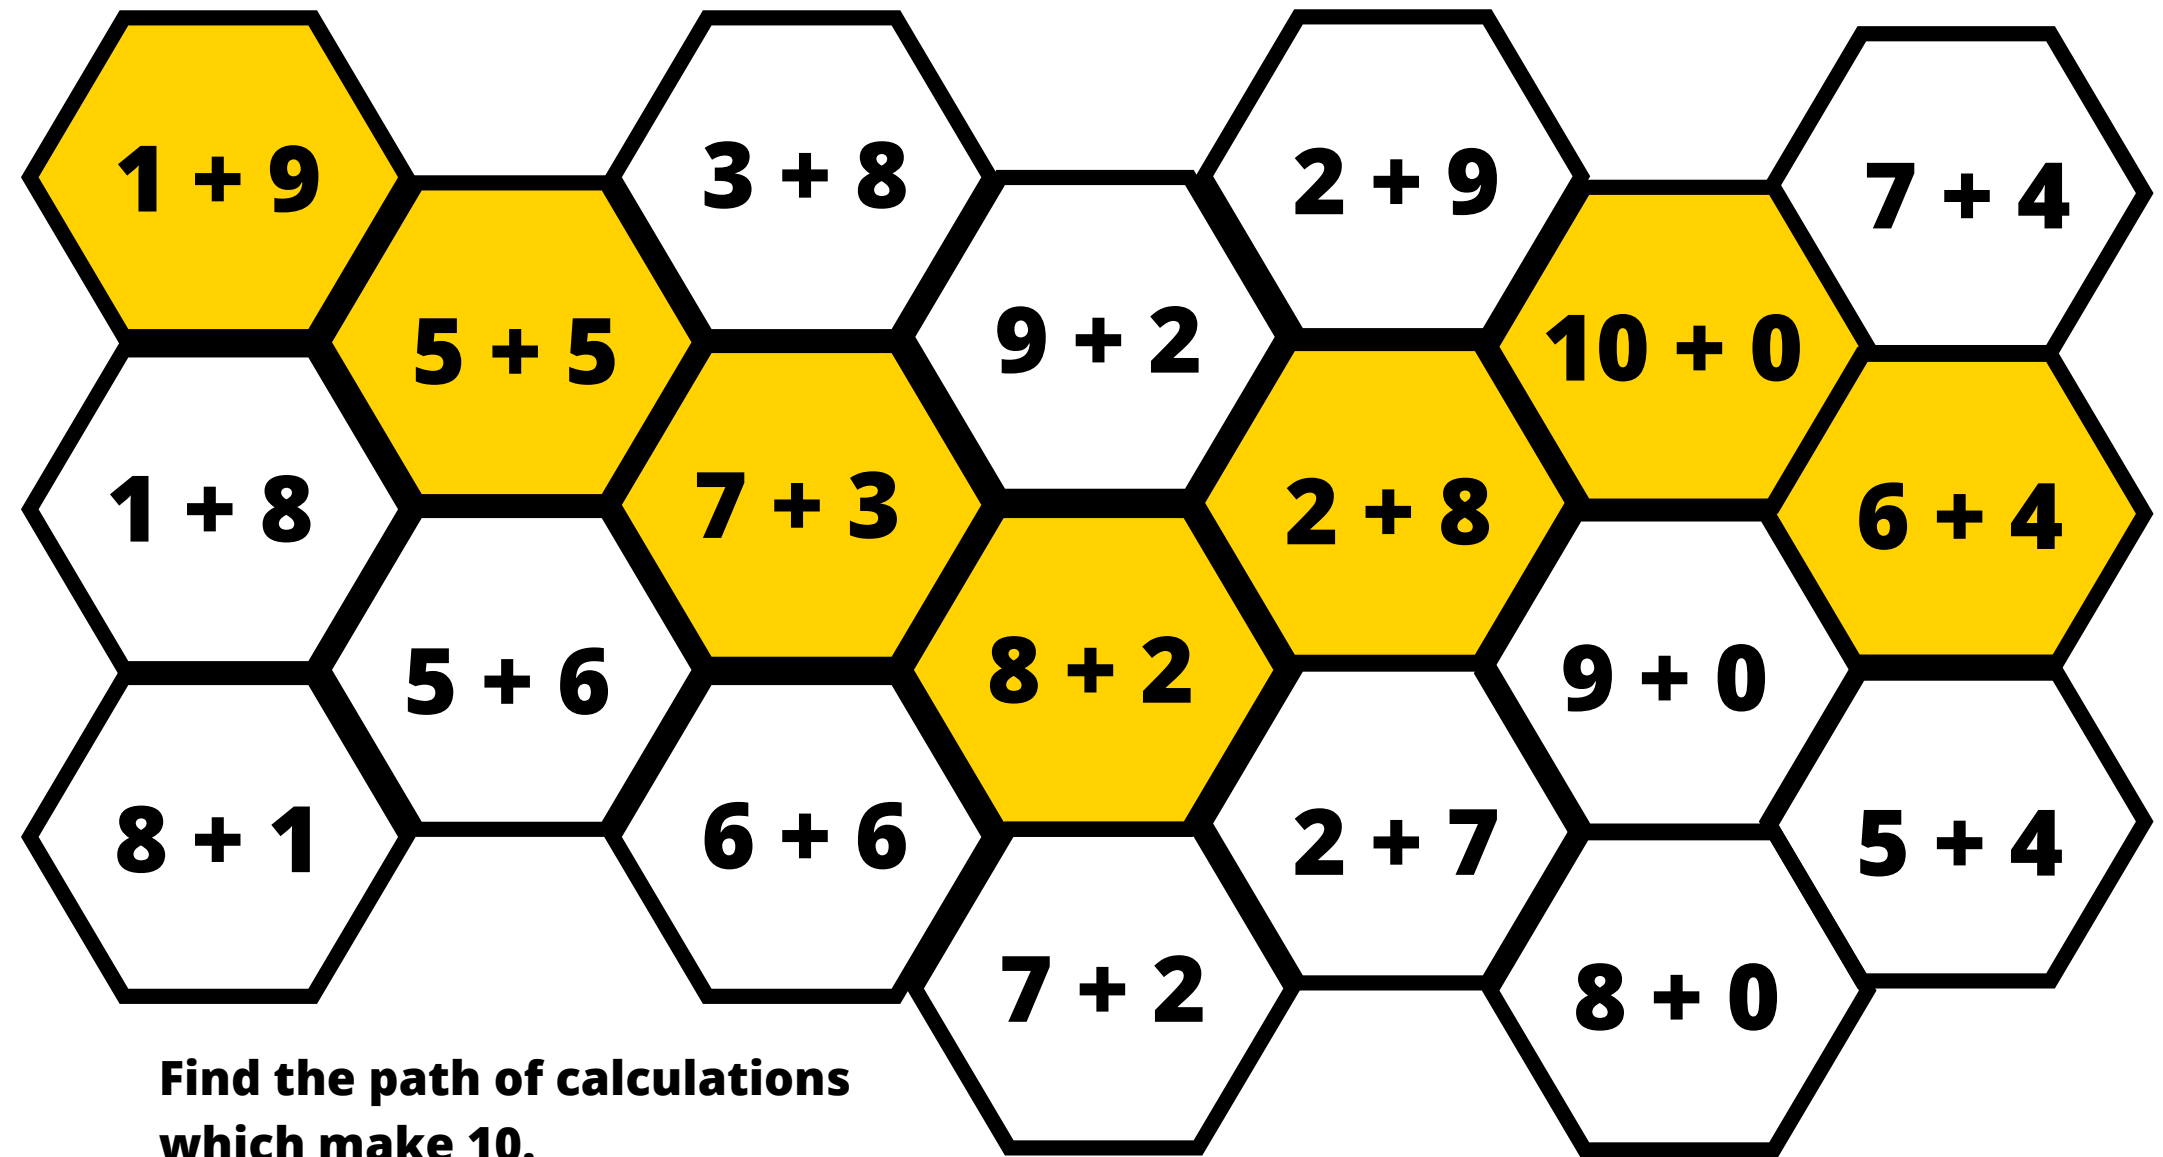

**Year 4**

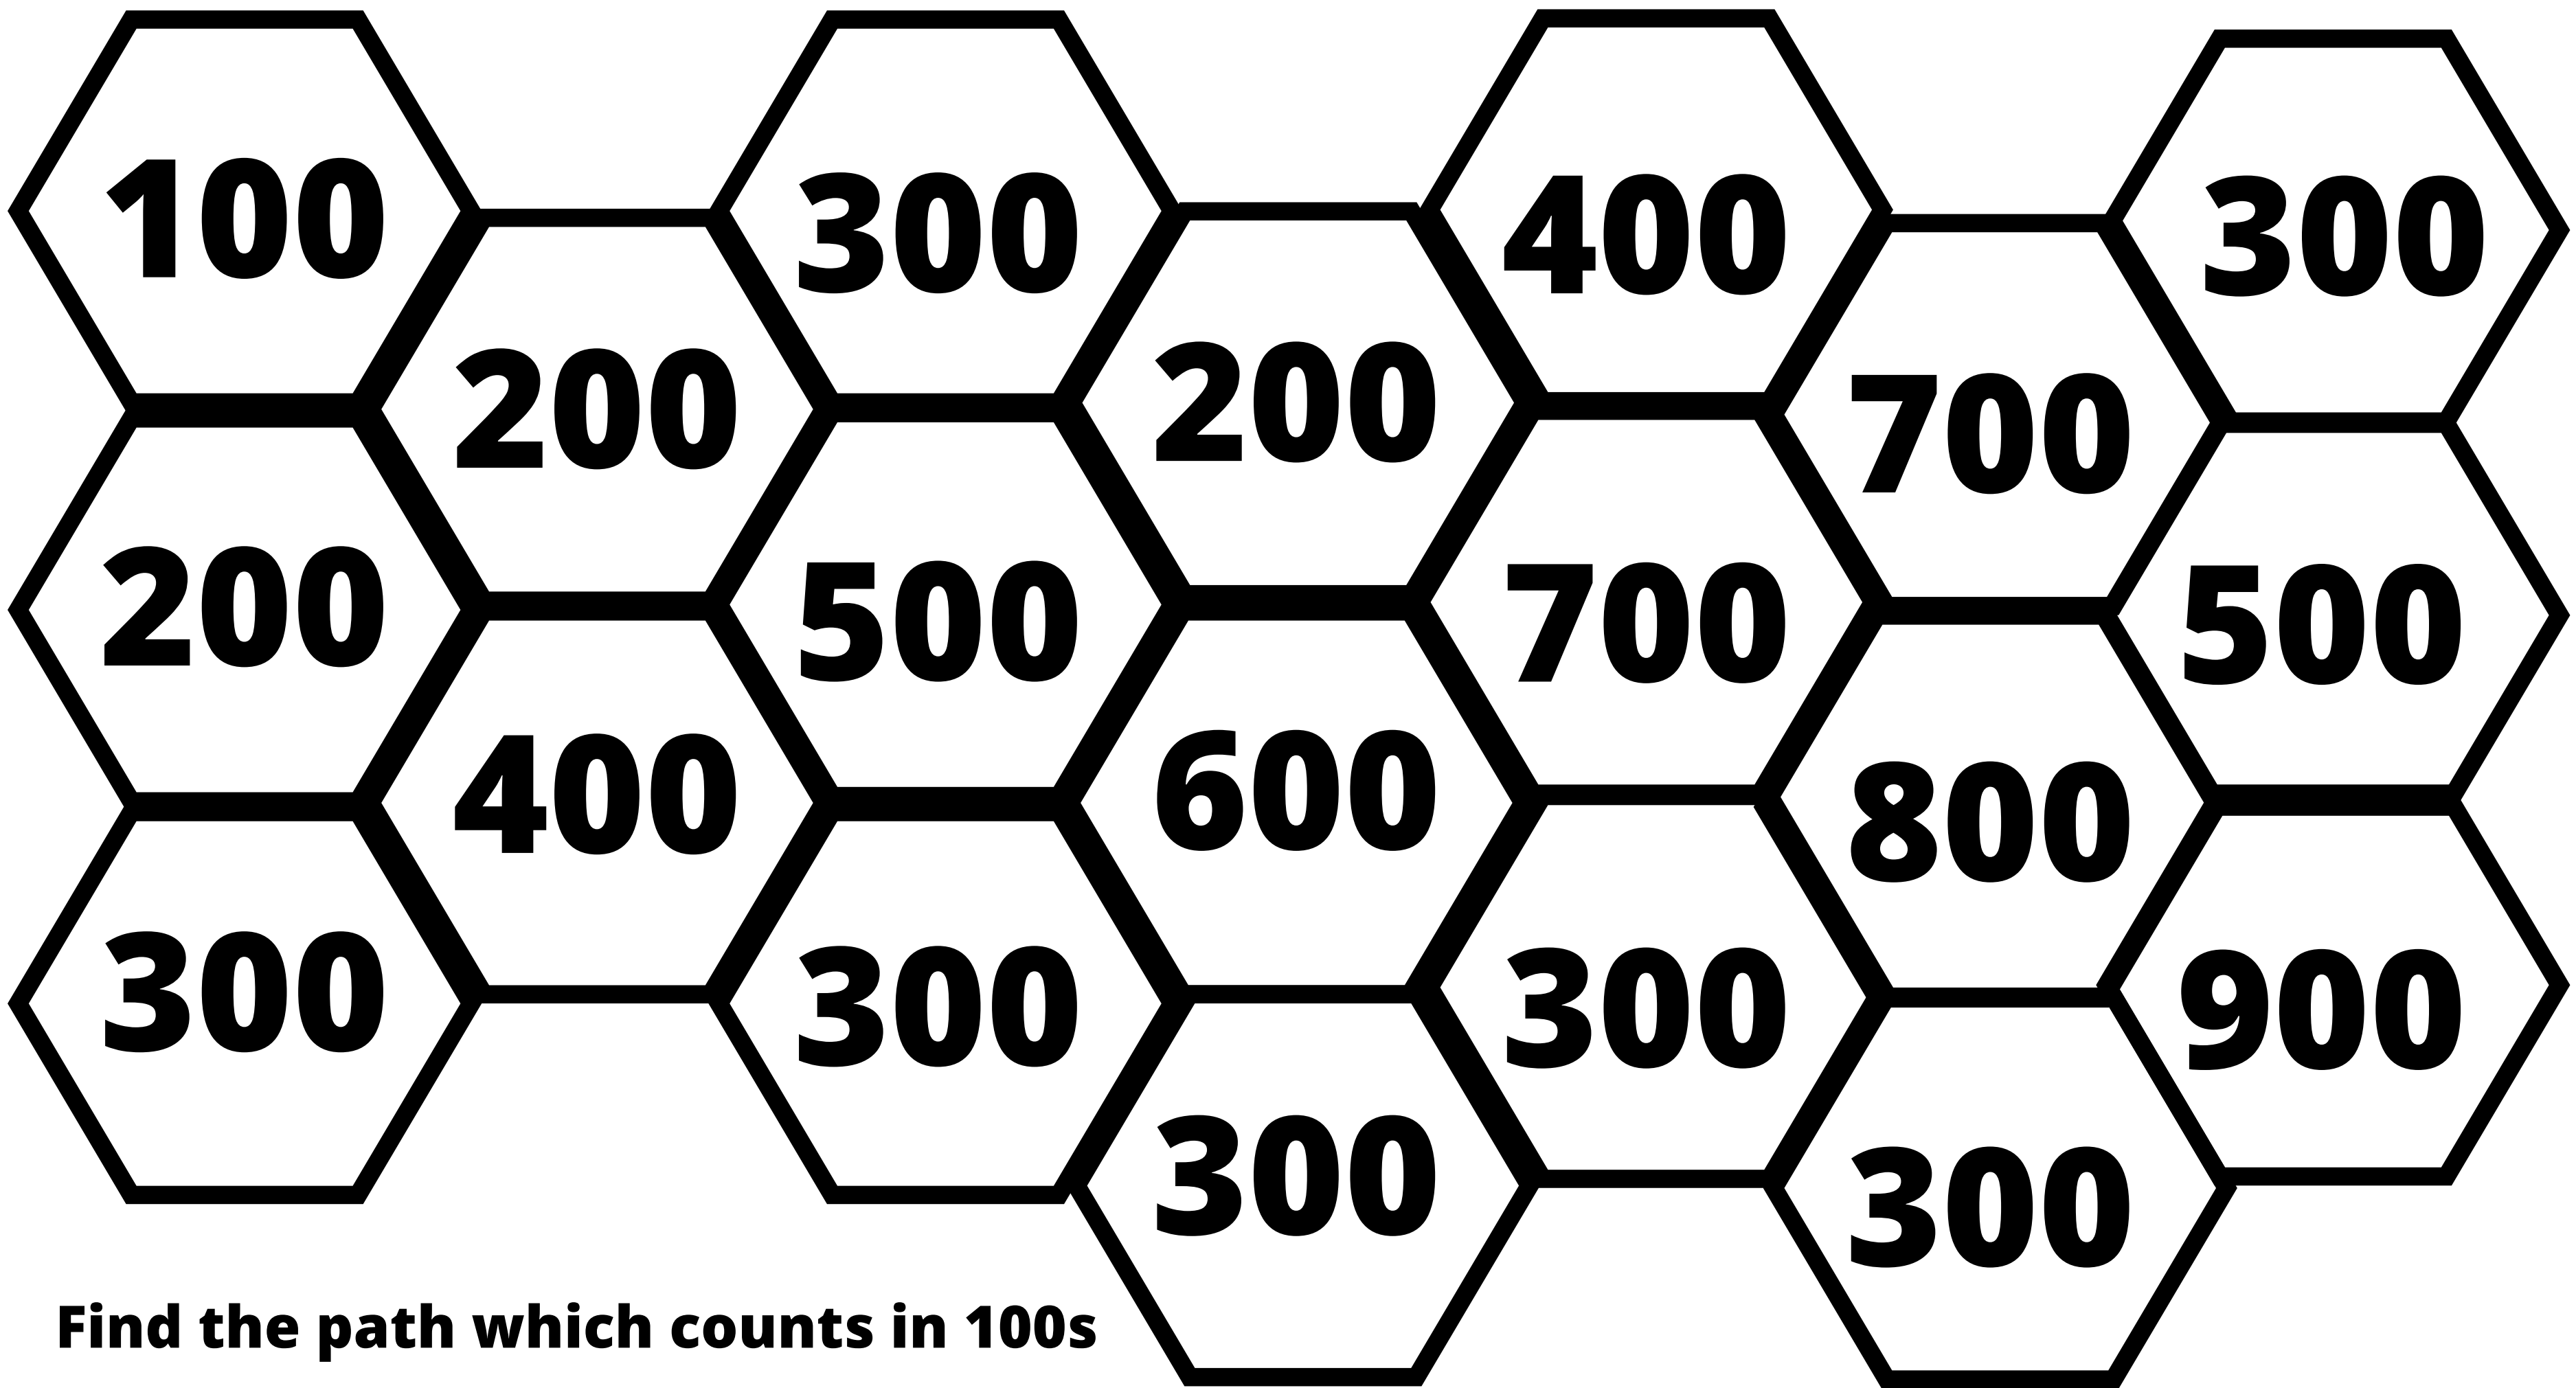

### How to play.

- Display or print off the resource.
- Look at the focus of the task at the bottom left of the page (or obscure it for extra challenge, asking children to identify what the focus may be).
- Find an unbreakable path, from left to right, to complete the game.
- Colour in the path.

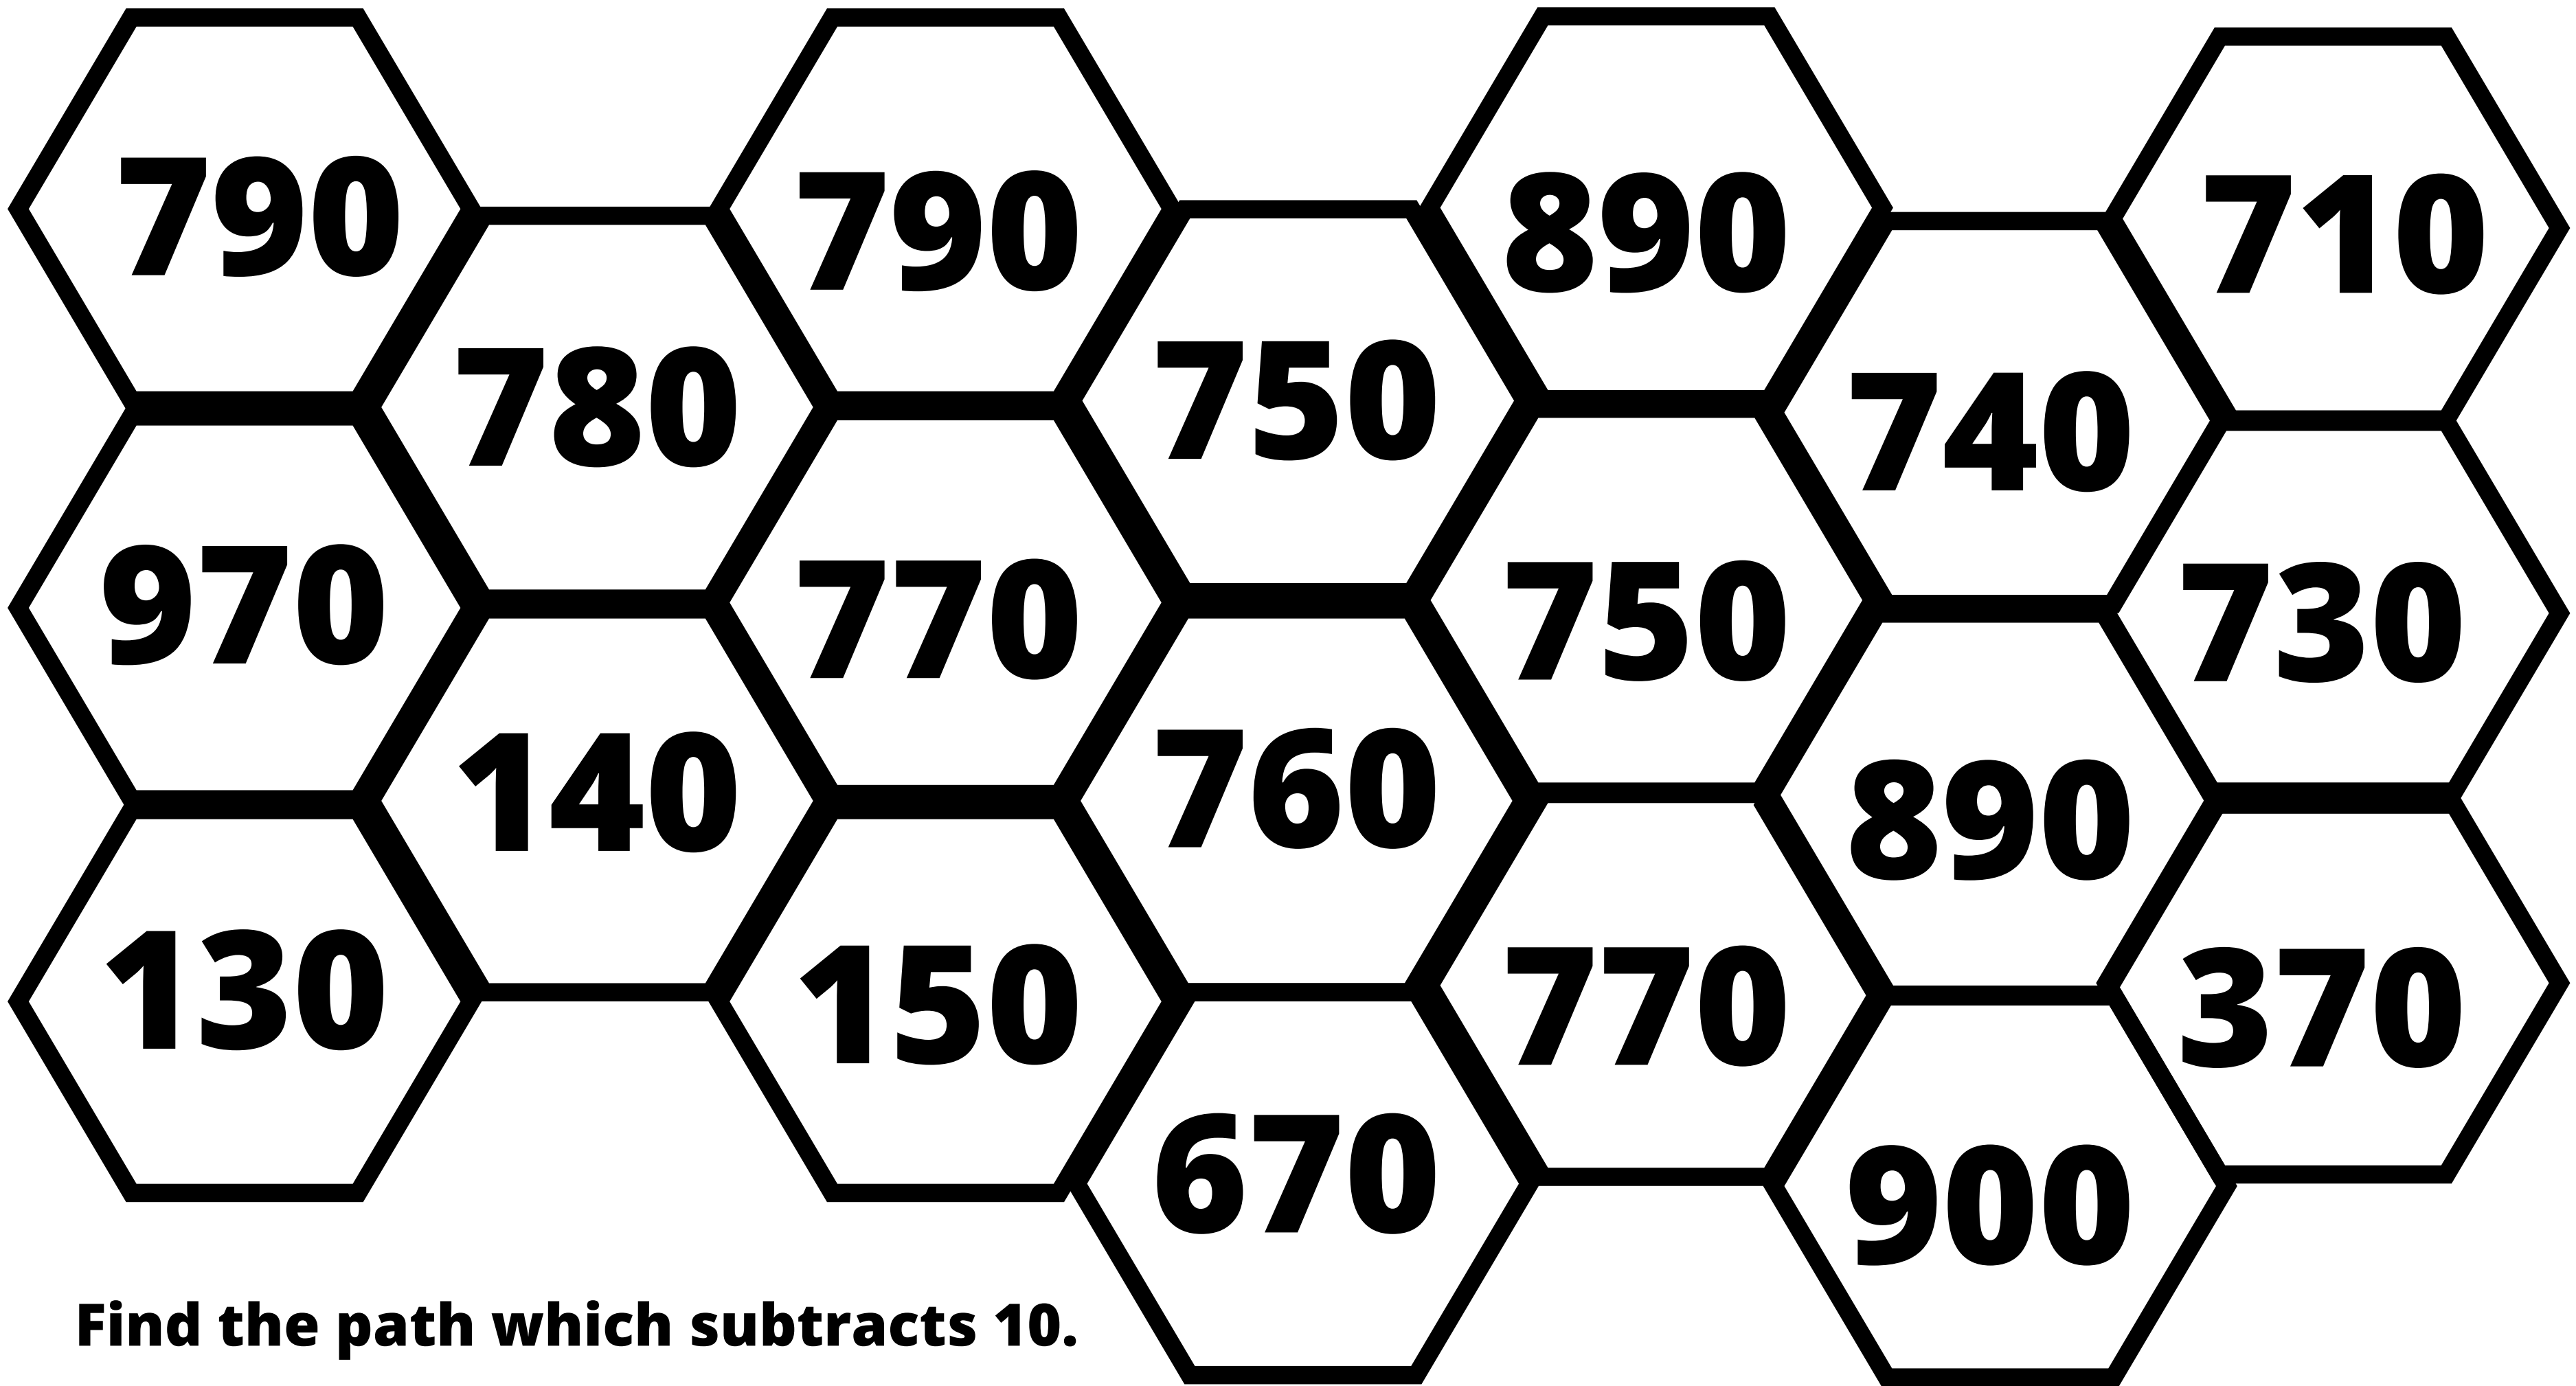

### Modifications.

- Time/race children.
- Cut it out and reassemble.
- Hide the focus and allow children to try and investigate what the focus of the task is.
- Stick to another (blank) sheet and extend the grid.
- Play in pairs and create colourful paths.

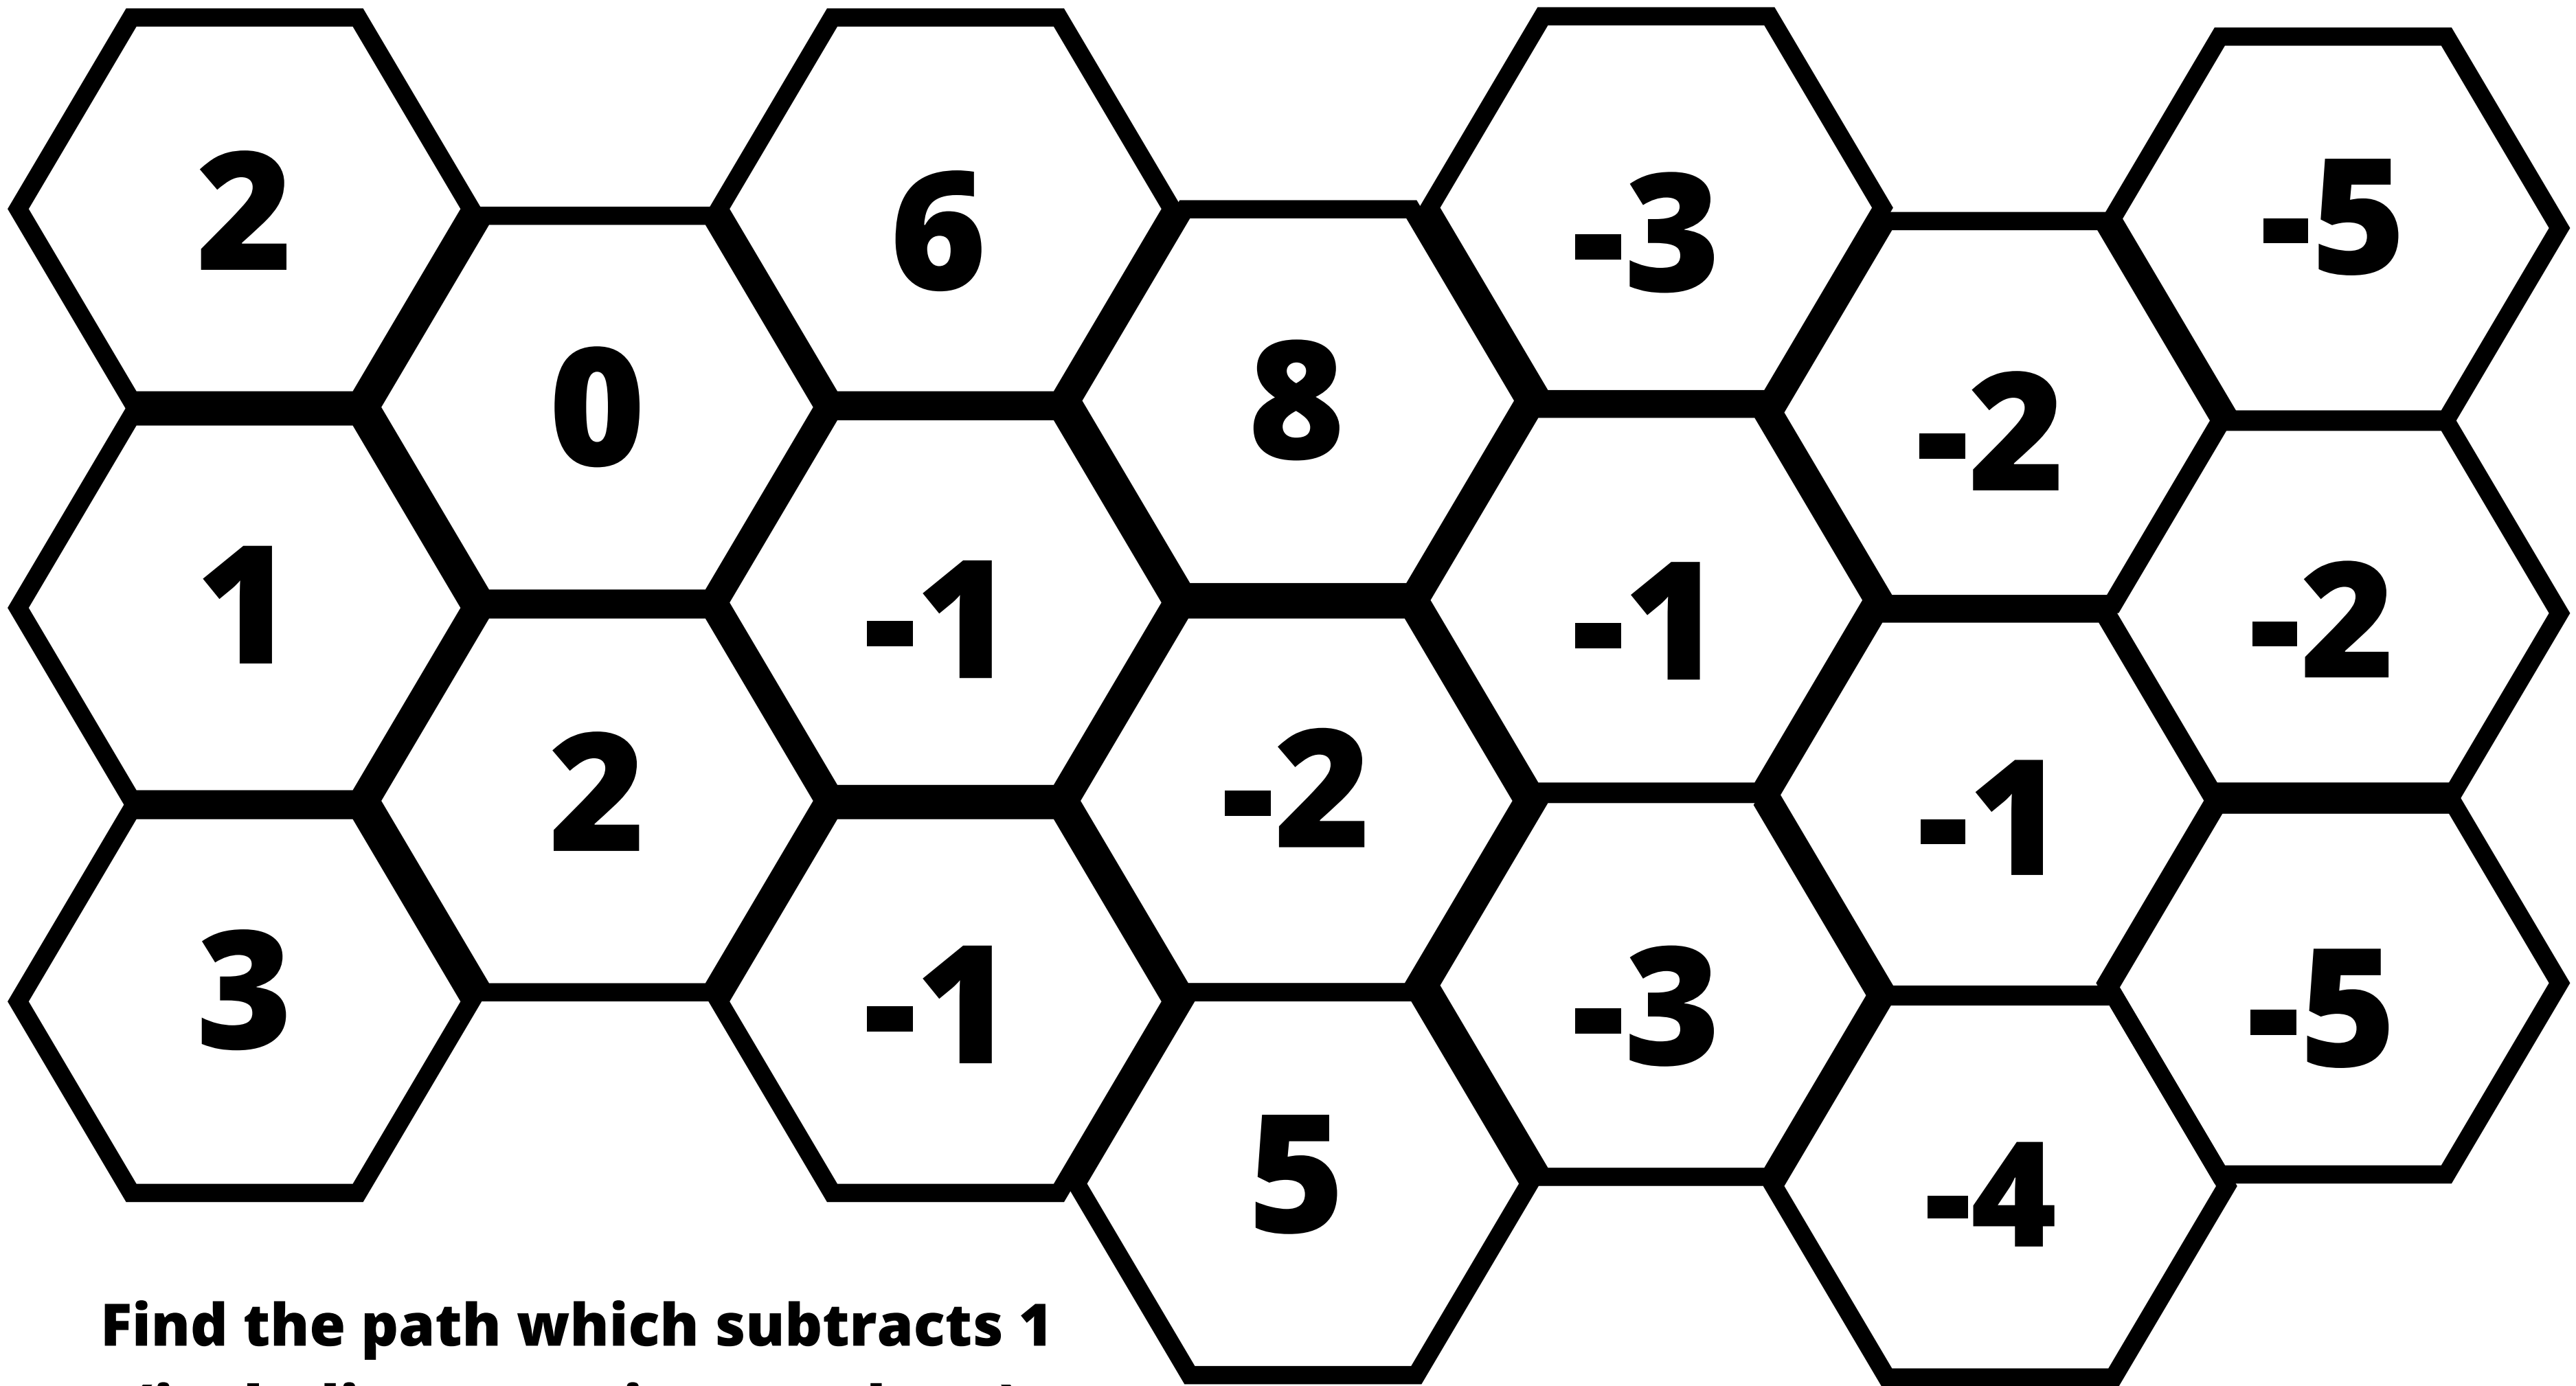

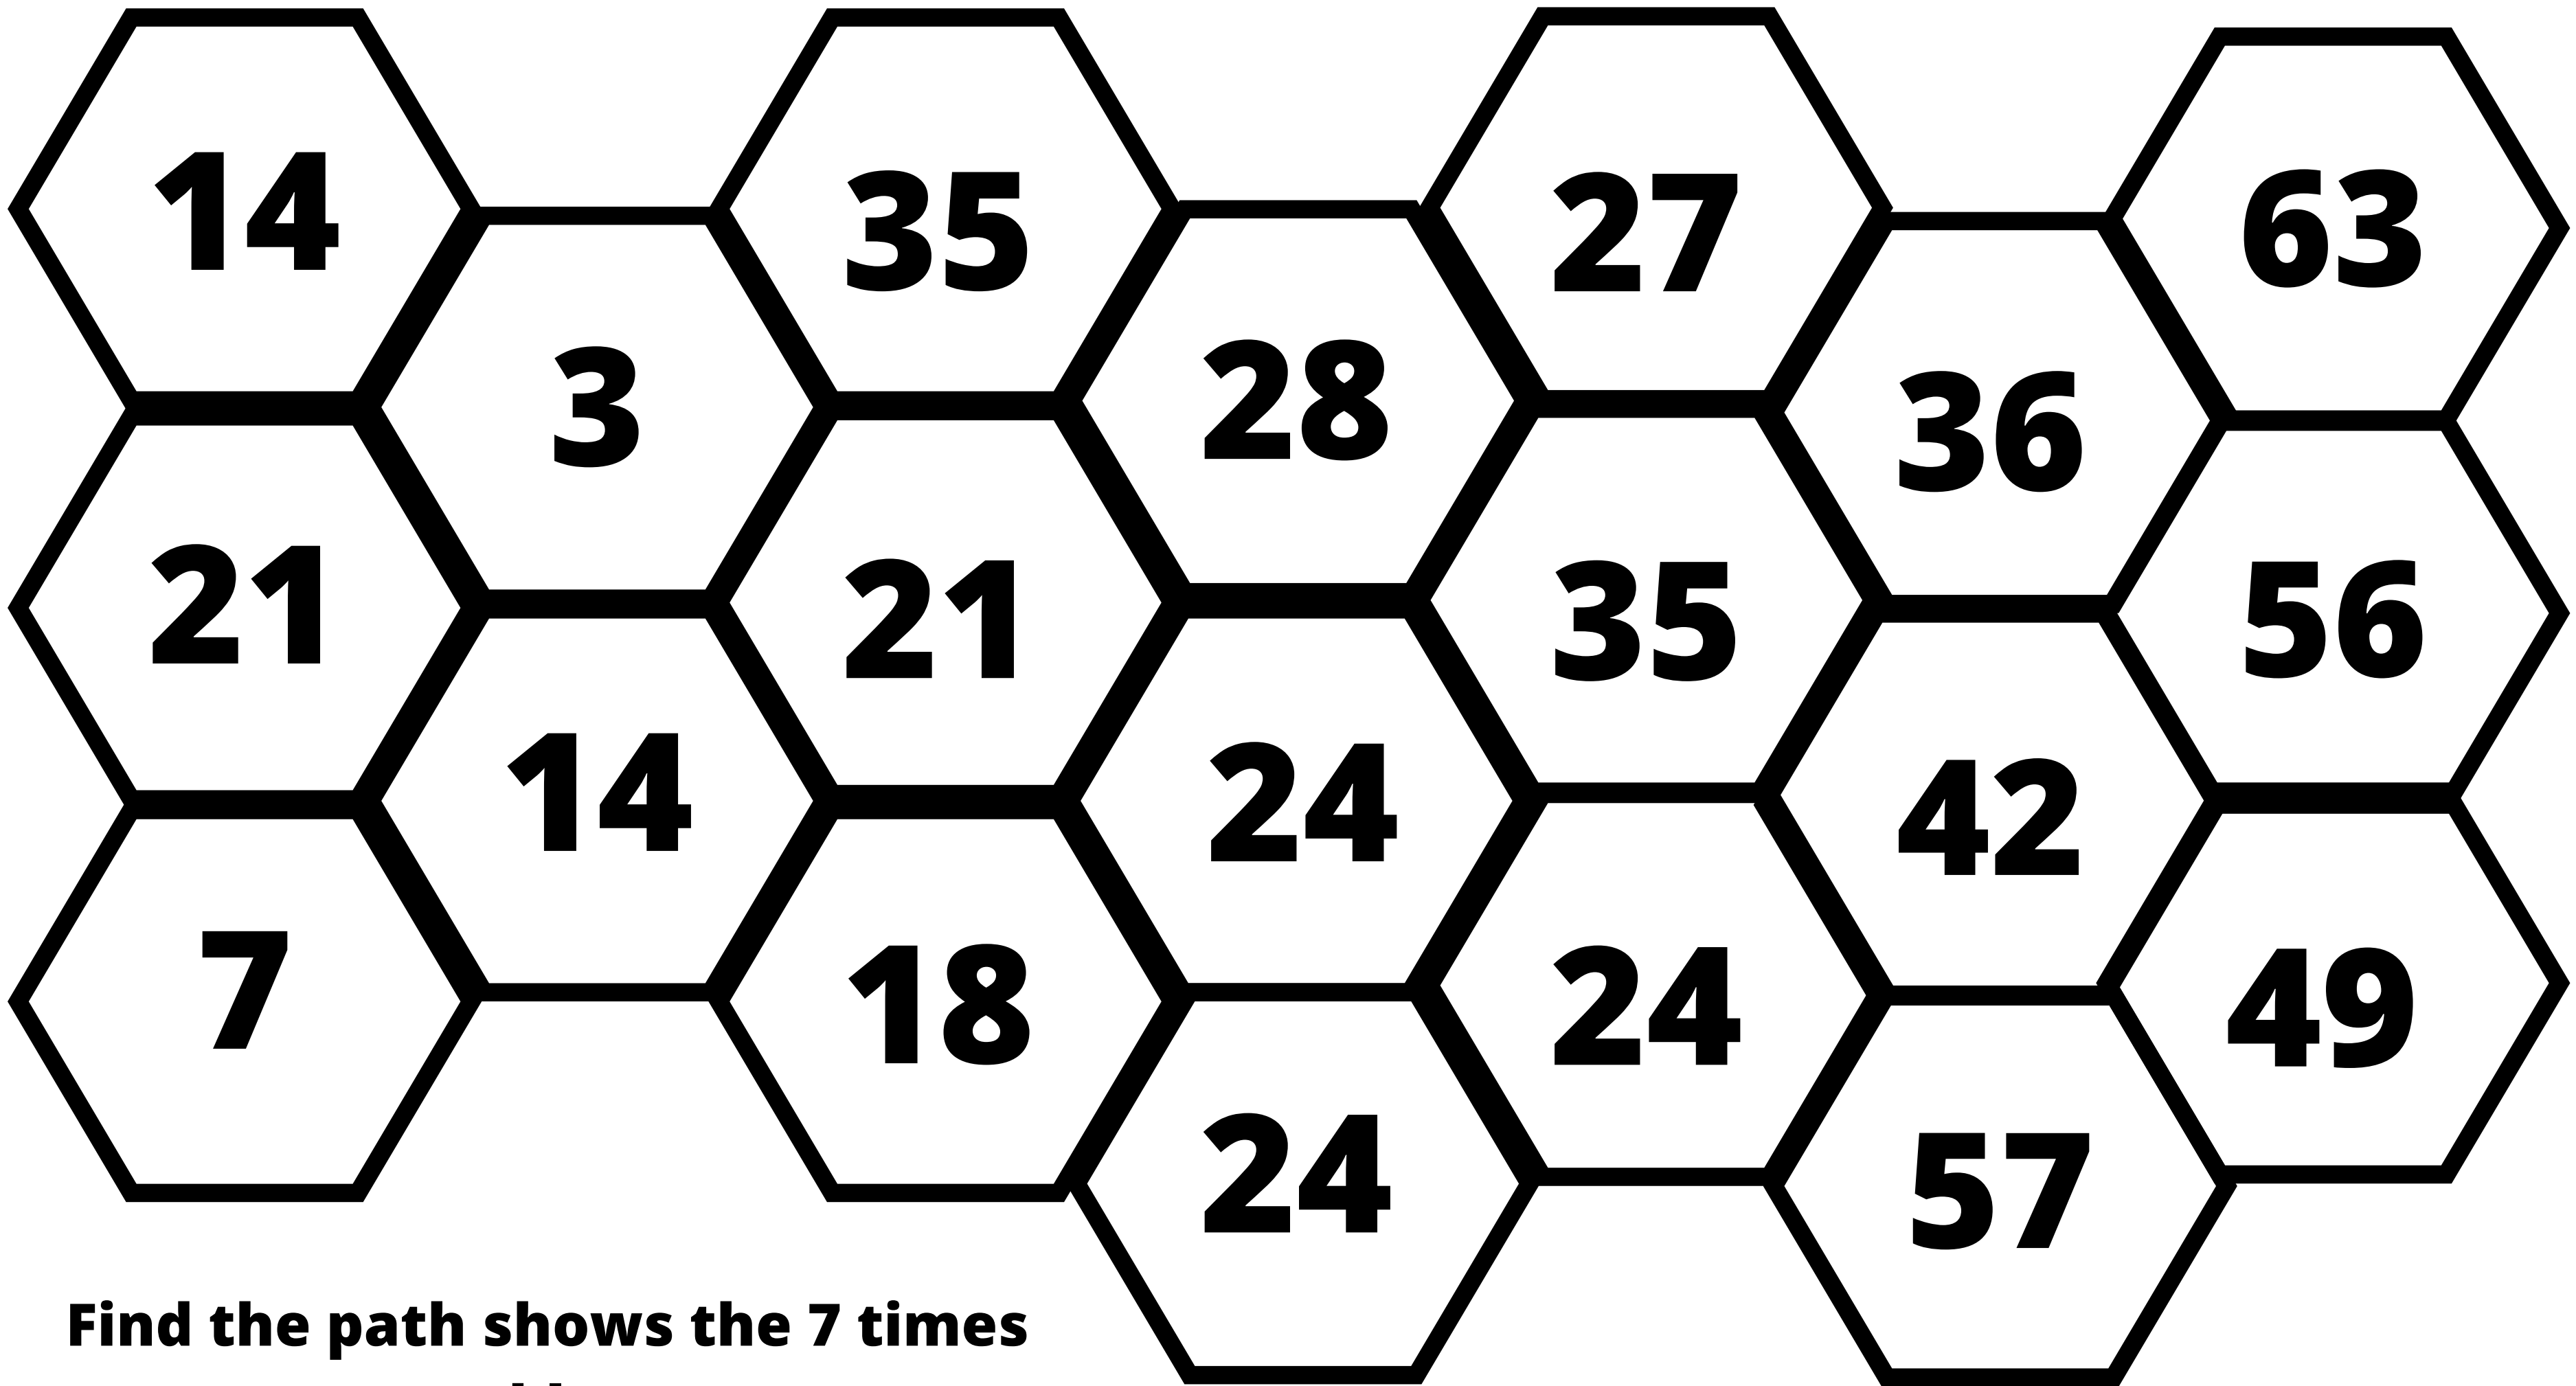

**Find the path which counts in 100s**

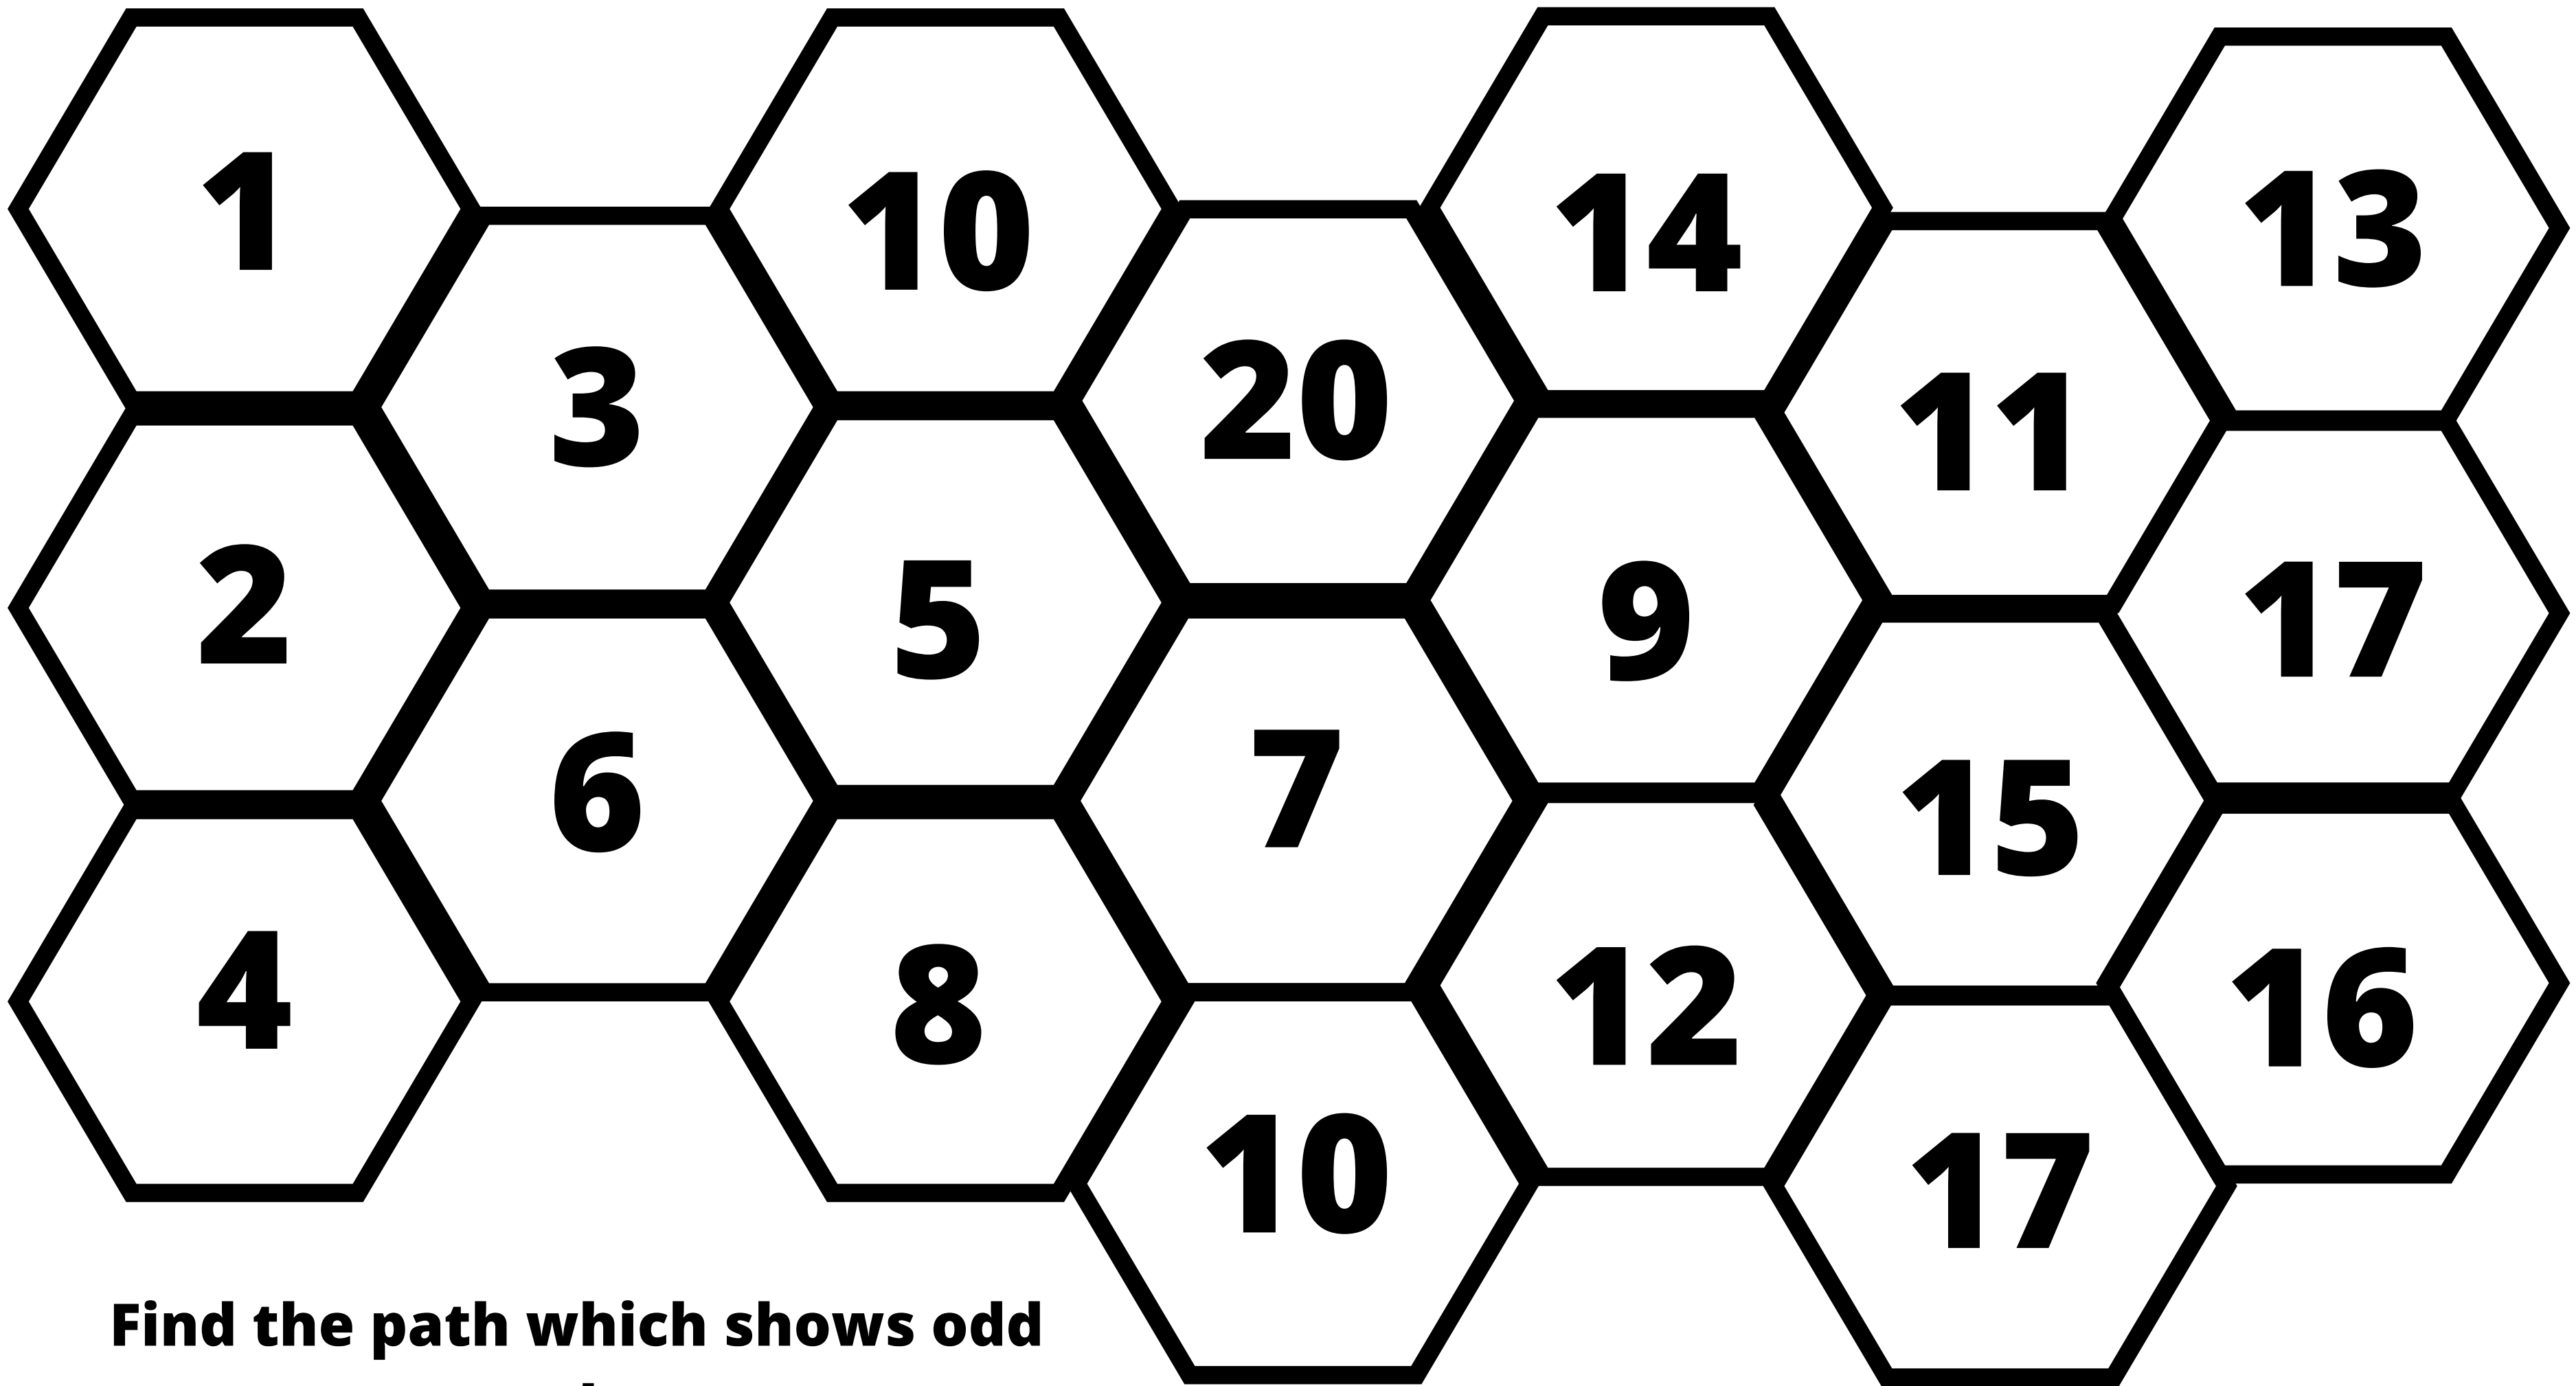

**Find the path which subtracts 10.**

**Find the path which subtracts 1  
(including negative numbers)**

**Find the path shows the 7 times tables.**

**Find the path which shows odd numbers**
